# Pilgrim Hymnal

Churches who are thinking about adopting a hymnal in the immediate future should wait and see samples of this book

This edition will have all the points which have given the Pilgrim Hymnal its distinctive excellence.

1. Its conveniently small size.
2. Its discriminating selection.
3. Its many choice hymns.
4. Its fresh and original responsive readings and orders of service.
5. Its beautiful printing and binding.

The five years of service which it has seen have tested and approved the merits of the Pilgrim Hymnal Plan, and its general makeup, therefore, will remain unchanged. There will, however, be a number of changes made to improve the hymnal in every respect that experience has shown desirable. A careful inquiry has been made among the many churches using this book, and the results of these criticisms, favorable and adverse, appear in this revision. Consequently any church purchasing this up-to-date edition will benefit by the experience of the editors and of the churches who have tried out the hymnal. *Here is a capital opportunity for freshening and vivifying your devotional services by the introduction of some choice new hymns.*

## INTRODUCTION.

The clerks of some churches will find the figures for church members exactly as they were reported. In additions and removals, however, changes have been made. To illustrate: If a clerk found that a mistake had been made in the previous year, it would be proper for him to restore or remove a number of members in order to make the number given for 1909 correct and balance with the report of 1908. Four states only were correctly balanced.

We found it necessary to do something, because errors were accumulating so rapidly that reports of hundreds of churches were inaccurate. The demand is that the YEAR-BOOK approximate accuracy.

The only state in which the above method of revision was not applied in detail is Connecticut. The changes, however, will be found in the summaries.

We thank the state secretaries for their endorsement and approval. One secretary wrote: "The thing was in a tangle and I could not unravel it. I thank you for doing it for me." Another wrote: "I always do it." Still another: "You are on the right track; it is time something is done." The fact that state bodies are calling for more correct statistics makes it imperative that the clerks of churches give correct reports or allow their figures to be edited.

Permit us to call the attention of church clerks to delayed reports. It is not necessary to wait three months. The report should really be ready before January 15 and immediately after in the hand of the state secretary. One pastor wrote: "We found our clerk inefficient and removed him."

We trust that our Summaries will be found correct. If any errors appear our readers will please attribute it to the absence of our almost invaluable clerk because of illness at a time when she was seriously needed for the important work of compiling and summarizing the reports of all the states. The burden of detail thrown upon us in addition to an immense deal of other work (this is the year of the National Council) made the duties of the office especially onerous. This, we know, will be appreciated.

The YEAR-BOOK will come to the churches and ministers as in former years. To any one interested in the work and progress of our churches it is full of interesting and valuable information. Ministers will do well to inform their churches, and particularly their several societies, upon what our fellowship is, all together, doing for the kingdom of God among men.

The urgent appeal we made for earlier reports was responded to in general. In 1909 the last report was dated May 11. All the states had reported this year by April 25. This is a great gain. Yet we can do better. If so large a state as Massachusetts (599 churches) can complete the work by March 17, every other state may do the same.

Schedules were received on dates as follows: Arizona, *February 7*; West Virginia, *February 14*; Hawaii, *February 15*; Nevada, *February 18*; Wyoming, *February 21*; New Hampshire, *February 23*; New Mexico, *February 28*;

Alabama Convention, Maine, *March 1*; Ohio, Virginia, Wisconsin, District of Columbia, Mississippi, *March 4*; Massachusetts, *March 5-17*; New Jersey, Maryland, *March 7*; Porto Rico, *March 8*; Kentucky, *March 11*; Georgia Conference, *March 14*; Oregon, *March 16*; Missouri, South Dakota, Arkansas, Indiana, *March 18*; Washington, *March 21*; Minnesota, *March 24*; Vermont, Rhode Island, *March 25*; Alaska, California (Northern), Georgia Convention, North Carolina, North Dakota, *March 28*; Michigan, Illinois, *March 30*; Nebraska, Pennsylvania, *April 2*; Utah, Colorado, California (Southern), Florida, Idaho, *April 4*; Oklahoma, *April 11*; Connecticut, *April 13*; New York, *April 14*; Montana, *April 18*; Kansas, Louisiana, *April 20*; Texas, *April 25*.

A number of local schedules were received at this office all too late for appearance in the YEAR-BOOK. We have often wondered at clerks delaying to forward reports until the YEAR-BOOK is almost completed. We believe if a limit of time were fixed, one year's experience might serve to arouse the "late clerk." The YEAR-BOOK should be issued not later than May 15. *If church clerks will, it can be done.*

Permit us to call attention to our Advertisers. They will serve the churches well. Kindly mention the YEAR-BOOK when writing to them.

For many kind words of approval and innumerable courtesies shown, we are grateful, and trusting that this volume will prove acceptable to all, we subscribe ourselves,

Your servant,

ASHER ANDERSON, *Editor.*

*Prudential Committee.* — The President and Vice-President, *ex officio*s; CHARLES A. HOPKINS; Hon. ARTHUR H. WELLMAN; FRANCIS O. WINSLOW; ARTHUR L. GILLETT, D.D.; HERBERT A. WILDER; Rev. EDWARD M. NOYES; ALBERT P. FITCH, D.D.; HENRY H. PROCTOR; Rev. JOHN H. DENISON; Rev. GEORGE A. HALL; ARTHUR PERRY; LUCIUS H. THAYER, D.D.

In this year 1910 the American Board reaches its centenary, having been organized at Bradford, Mass., in 1810. The history of these hundred years is marked by stories of heroic service, of great difficulties and marvelous triumphs. It is most fitting that Christians in our land should review what God has wrought within the hundred years for the extension of his Kingdom throughout the world. One hundred years ago no foreign missionaries had gone from the Western Continent to unevangelized lands; now there are about 6,000 men and women from America in the foreign field. The first year of the Board's life its receipts for this work amounted to a little less than \$1,000; last year the receipts were nearly \$950,000. During the century the Board has received over \$39,000,000. The Board has sent forth 2,572 missionaries, 581 of whom are now on its rolls. There are now connected with it 584 churches, with 73,671 enrolled communicants, and in its 1,483 schools of all grades there are 70,970 pupils.

One of the grand results of this foreign missionary work has been the development of the native churches and their progress toward self-support and self-propagation. At present there are no less than 4,564 native laborers, pastors, preachers, teachers, etc., engaged in Christian work, for which work the converts contributed last year \$263,764, considerably more than a fourth part as much as was contributed by the Board's constituency at home. This whole missionary history of the century should be again and again reviewed during this centennial year. It is an inspiring record and may be made intensely interesting both for young and old, but let not attention be solely directed to the past while reviewing what God has wrought; let the outlook for the future be considered. All signs point to a fresh and more rapid advance. The way has been opened, barriers are broken down, approved methods of missionary policy have been discovered and put in practice. What may be called the apparatus of missionary work — dictionaries, Bible translations, divisions of the fields to avoid overlapping — have been secured, and the way of the Lord has been cast up.

The call of the Prophet may be taken as specially for this centennial year, "Say ye to the daughter of Zion, behold thy salvation cometh."

## The Departments of Work are:

**THEOLOGICAL SEMINARIES.** — There are sections in the West solidly foreign. New England has an increasing foreign population. The graduates from the foreign departments at Chicago are able to preach in both English and the mother tongue.

**COLLEGES.** — The problems and perplexities of our national progress increase rather than diminish. Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

**ACADEMIES.** — Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

**MISSION SCHOOLS IN UTAH.** — Mormon leaders are making strenuous efforts to extend Mormonism. Its missionaries are active in this country and abroad. The leaders have a distinct political aim to gain firmer hold in national affairs in order to gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

**MISSION SCHOOLS IN NEW MEXICO.** — The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life. The uplifting of homes and establishing of churches will come through the children and their schools.

**STUDENT AID.** — Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry.

The following table shows the number of Institutions assisted by the Society, number of teachers and students, value of property, and the amounts received from the Society and other sources during the year ending June 1, 1909.

As a result of the "Together Campaign" of 1909, the debt which had long rested upon the Congregational Home Missionary Society has been lifted and plans are being carried out for aggressive prosecution of its fourfold work: on the frontier, in the city, among the immigrants, and in depleted towns and villages of the older states. By careful limiting of appropriations, by the creation of a legacy equalization fund, and by endeavors to secure increased contributions, the Board of Directors are seeking to avoid future debts. The annual reports of the Society, its section of *The American Missionary*, and more than one hundred leaflets descriptive of its work, will give full information as to its activities.

HISTORICAL SUMMARY.

The Society was organized in 1826. It was then called the American Home Missionary Society. Its headquarters from the beginning have been in New York. It was at first interdenominational. Many of the churches founded prior to 1850 were Presbyterian. Certain state societies organized among Congregationalists in the New England states are older than this Society. From the first these societies have had an auxiliary relation to this Society. In 1896 the name of the Society was changed to The Congregational Home Missionary Society. During the eighty-three years of its existence the Society has expended not far from twenty-five million dollars. During its first year the Society commissioned 169 missionaries. Last year it had 1,642. Four fifths of the Congregational churches of the country were planted by this Society or its auxiliaries. The average expense to the Society of a year of missionary labor, in 1826, was \$127; in 1850, \$180; in 1870, \$280; in 1890, \$509; in 1908, \$419. The expenditures of the Society, in 1826, were \$13,984; in 1850, \$153,817; in 1870, \$267,555; in 1890, \$603,978; in 1908, \$511,079. These figures include the state societies. The constitution of the Society was revised in 1906, with the purpose of seeking closer relations with the state organizations.

STATISTICAL REPORT FOR YEAR ENDING MARCH 31, 1909.

The Congregational Home Missionary Society carried on work during the year in twenty-nine states and territories, and the constituent state societies in sixteen more. The number of missionaries under commission for the whole or part of the year was 1,642. They cared for 2,316 churches and preaching stations. Connected with these churches were 2,125 Sunday-schools. Of these churches, 363 held services in foreign tongues. These tongues were German, Bohemian, Italian, Swedish, Danish-Norwegian, Welsh, Finnish, Armenian, Spanish, French, Syrian, Polish, Turkish, Albanian, Greek, Portuguese, Croatian, and Slovak, — eighteen in all. The largest foreign work was carried on among the German people, 76 churches using that language in their services. During the year, 151 new churches were organized, or 33 more than last year; 94 new church buildings were erected, 4 less than last year; and 33 parsonages were built, 6 less than last year. The number of churches coming to self-support was 94, which is 4 less than last year. Fifty-seven churches formerly self-supporting were compelled to ask aid again, 12 more than last year.

The receipts of the Congregational Home Missionary Society for the year were as follows:

From contributions.....	\$108,262.96
From legacies.....	119,874.02
From constituent state societies.....	27,645.66
From investments.....	13,920.51
	\$269,703.15

The constituent state societies received during the year a total of \$275,974.54. Adding this to the receipts of the National Society, and deducting the amount sent by the National Society to the state societies (\$22,702.18), we have \$522,975.51 as the total home missionary receipts of the year, this being \$21,744.60 less than last year.

The expenditures for the year by the Congregational Home Missionary Society for missionary work and general expenses were \$262,501.05, which is \$3,639.43 less than last year.

The average gift from each member of the Congregational churches for the year was 42 cents.

## FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South the Negroes and the Whites, both in the mountains and the lowlands; in the West the Indians; on the Pacific Coast the Chinese and Japanese; in Alaska the Eskimos; and in Porto Rico and Hawaii those of various races.

## PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

## INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

## AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

## MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

## EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanic arts, and agriculture. Its chartered institutions are Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College, for colored students; Piedmont College and Atlanta Theological Seminary for whites. Among its secondary and elementary schools are Gloucester School, Va.; Saluda Seminary, Lincoln Academy, J. K. Brick School, Gregory Institute, Washburn Seminary, Peabody Academy, N. C.; Avery Institute, Brewer Normal, S. C.; Ballard Normal, Beach Institute, Allen Normal, Dorchester Academy, Albany Normal, Knox Institute, Ga.; Fessenden Academy, Orange Park Normal, Fla.; Joppa Institute, Emerson Institute, Lincoln Normal, Burrell Normal, Trinity School, Ala.; Lincoln School, Moorhead Industrial, Mt. Hermon, Miss.; LeMoyné Institute, Grand View Normal, Pleasant Hill Academy, Tenn.; Chandler Normal, Black Mountain Academy, Ky.; Santee Normal, Neb.; Blanche Kellogg Institute, Porto Rico. One hundred and one schools in all.

## CHURCH WORK.

The Association has 223 Congregational churches under its care, besides many preaching stations. The Indian Dakota Association is developing a vigorous church life. Among the Orientals, several new churches have been formed and many persons have come into the Christian life. In Porto Rico the field is white to the harvest. The South greatly needs the liberalizing and ethically tonic influence of our free, intelligent, self-governing, unsectarian churches, for both races, and many such churches are being sustained by the Association.

## LITERATURE.

Interesting leaflets representing the work of the American Missionary Association can be secured at any time by sending to one of the offices.

*The American Missionary* magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *fifty cents* per year.

I bequeath to my executor (or executors) the sum of ——— dollars, in trust, to pay the same, in ——— days after my decease, to the person who, when the same is payable, shall act as Treasurer of "The American Missionary Association," New York City, to be applied under the direction of the Executive Committee of that Association to its charitable uses and purposes.

This will should be attested by three witnesses (in some states three are required, in other states only two), who shall write against their names their places of residence (if in cities, the street and number). The following form of attestation will answer for every state in the Union: "Signed, sealed, published, and declared by the said (A B) as his last Will and Testament in the presence of us, who, at the request of the said (A B) and in his presence, and in the presence of each other, have hereunto subscribed our names as witnesses." In some states it is required that charitable bequests should be made at least two months before the death of the testator, but this rule does not apply to bequests in New York State to this Association.

## OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

## FINANCIAL.

During the year the debt on the Congregational House has been reduced by \$4,000, bringing it down to \$142,000.\* It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1907, the mortgage on the Congregational House was renewed, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about \$10,000; the interest on the mortgage is about \$6,000; if the debt were paid, the appropriations to all the missionary societies could be largely increased.

## THE LIBRARY.

The foresight of our fathers in beginning to save and store here all material bearing on "the religious history and literature of New England" is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more valuable still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us. It is gratifying to note that one of the youngest of our state Congregational newspapers, published in the West, reckons the Congregational Library among the four prominent assets of the denomination, and urges the cooperation of its readers to make it still more valuable.

We have no Carnegie to give us a princely endowment, but in this enterprise a little care and painstaking are even more welcome than gifts of money.

\* This was the precise amount of the debt in 1897, when the old Congregational House was sold; but our present plant marks a great advance in effectiveness.

## THE CONGREGATIONALIST AND CHRISTIAN WORLD

is in the ninety-fourth year of the life of the paper and the ninth of its ownership by the Congregational Sunday-School and Publishing Society. The paper binds our churches together, disseminates church news and methods, and promotes our denominational interests throughout the country as no other agency.

## THE PILGRIM PRESS,

which is the trade name of the Congregational Sunday-School and Publishing Society, besides issuing the lesson helps and the various papers and magazines, publishes a large number of books by leading authors, whose writings are of great value to our denomination and interest to the public. Its bookstores in Boston and Chicago are centers of Congregational interests.

## THE EDUCATIONAL DEPARTMENT

of the Society, in accordance with the suggestion of the last National Council, has been notably extended. The Editor of General Publications has, during the past year, been made also Educational Secretary, and the Society has appropriated funds from the profits of its Business Department to assist our Sunday-schools in the great and pressing task of bringing the work of administration and instruction up to the most advanced modern standards.

To assist in this work the Society has secured the services of Miss Margaret Slattery under contract for five years, and has made arrangements also with Prof. Edward P. St. John, of the Hartford School of Religious Pedagogy. Both of these eminent authorities in this department will speak and write under the auspices of the Society in its policy of producing better Sunday-schools as well as planting new schools.

## CORRESPONDENCE.

Correspondence with respect to the different departments of the Society should be directed as follows:

1. Contributions from churches, Sunday-schools, and individuals should be sent to Henry T. Richardson, *Treasurer*, Congregational House, Boston, or to the Superintendent of the state within which it is given.

All funds so bestowed are used exclusively for the missionary work of the Society.

The Business Department in all of its branches is kept separate from the Missionary Department, save that it is under the same general management and that it contributes liberally from its profits to the treasury of the Missionary Department.

2. Correspondence relating to manuscripts, articles for periodicals, etc., should be directed to *Editor of the Pilgrim Press Publications*, Congregational House, Boston.

3. Correspondence relating to Sunday-school educational methods, teacher training, etc., should be addressed to the Educational Secretary.

4. Correspondence relating to *The Congregationalist* should be addressed according to its subject-matter, either to the Business Manager or the Editors.

5. Orders, and correspondence relating to business matters, may be addressed to the Business Manager, Congregational House, Boston, or 175 Wabash Ave., Chicago.

6. Correspondence intended for the Board of Directors should be addressed to the Chairman of the Board.

## CONGREGATIONAL BOARD OF MINISTERIAL RELIEF.

A Board organized "to secure, hold, manage, and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers."

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

The figure set by the National Council as a necessary endowment for this Board is \$1,000,000. At present the endowment fund is about \$200,000.

Only the interest on the Endowment Fund can be used for pensions. This income is supplemented from the current receipts. The needs of the present hour must be provided for before increasing the Endowment Fund, except, of course, by such gifts as are designated for this Fund.

The receipts from all sources, from the first gift in March, 1887, to December 1, 1909, have been \$412,469.82. The receipts in 1909 were \$34,480.52.

The National Council "urges all ministers and churches to enter into hearty co-operation with the Board, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Board appeals

1. For an annual offering from each church.
2. For subscriptions to the Endowment Fund, from ministers during their earning period, of \$1.00 a year or more.
3. For special gifts and bequests from individuals.

## FORM OF BEQUEST.

*I give to the "Congregational Board of Ministerial Relief" . . . . . Dollars, for its uses and purposes.*

NATIONAL FEDERATION OF WOMAN'S CONGREGATIONAL STATE  
HOME MISSIONARY ORGANIZATIONS.

Organized May, 1905.

*President.* — Mrs. B. W. FIRMAN, 1012 Iowa Street, Oak Park, Ill.

*Vice-Presidents.* — Mrs. JAMES L. HILL, Salem, Mass.; Mrs. F. EGGERT, Portland, Ore.; Mrs. H. B. WEY, Atlanta, Ga.

*Secretary.* — Mrs. G. H. SCHNEIDER, 3361 Adams Street, Chicago, Ill.

*Treasurer.* — Mrs. H. A. FLINT, 604 Willis Avenue, Syracuse, N. Y.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

**OBJECT.** — Its object shall be the unification of all state organizations of women that labor in any corporate way for the advancement of home missionary work in connection with Congregational churches.

**MEMBERSHIP.** — All state organizations of women connected with Congregational churches, seeking to promote woman's missionary work in our country and its newly allied territories, shall be eligible to membership in this Federation.

**MEETING.** — An annual meeting shall be held in connection with the gathering of the Congregational Home Missionary Society, inasmuch as other of the national societies hold affiliated meetings in connection with this gathering.

The Federation has proved itself worthy of being, — it having brought about a fellowship and a mutual helpfulness between the states which would be impossible were there not a central organization. Each state continues independent as to its plan of work, treasury, etc. Among the advantages to Congregationalism are that federation gives us centralization in our home missionary activities, — a necessary factor in coming in contact with other denominational bodies; it will also tend toward stimulating the gifts of the women of our country to home missions. The officers are glad of every opportunity possible to be of help in any way, anywhere.

*The American Missionary* is the official organ of the Federation.

## THE WOMAN'S BOARD OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each coöperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. The organ of the three Boards is *Life and Light for Woman*, published in Boston. These Boards also coöperate with the American Board in publishing the *Mission Dayspring*, for children.

## OTHER SOCIETIES.

## THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

*Directors.* — Rev. ARTHUR J. COVELL, Chairman; HERBERT A. BOYNTON, Dr. JOHN E. BRADLEY, Rev. FREDERICK E. EMRICH, D.D., FRANK L. FISH, Rev. FRANK W. MERRICK, D.D., WILLIAM S. O'BRIEN, Rev. CHARLES H. OLIPHANT, HENRY H. PROCTOR, Rev. JAMES S. WILLIAMSON, Rev. WILLIAM E. STRONG, APPLETON P. WILLIAMS.

*Secretary.* — Rev. CHARLES B. RICE, D.D.

This Board is maintained and directed by the General Association of Congregational Churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches, but it is itself responsible to the churches. This fact of complete public responsibility is characteristic, and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement wherever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning more than three thousand Congregational ministers. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerably assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

## BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

*President.* — Rev. ALEX. MCKENZIE, D.D. *Secretary.* — CHARLES F. STRATTON.

*Vice-President.* — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

*Board of Managers.* — The officers above named and George Gould, Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Francis J. Ward, Edward B. Wilder, Albert Murdoch, George F. Kendall.

*Corresponding Secretary.* — Rev. CYRUS P. OSBORNE.

*Object.* — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

*Scope.* — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from every state in the Union. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its centers upon our coasts, its circumference includes all seas and shores where sailors are found.

*Methods.* — The work is not simply preaching to sailors, but a ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates have been cared for during the last winter.

*Results.* — Many men have been led to save their earnings, an aggregate of thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines.

All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and there have been seasons when from November to May there was rarely a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and in the last three years, seven hundred sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

*Needs.* — The Society needs an annual donation from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least \$15,000, to meet the expense of changes and improvements in our Boston Bethel, by which two thirds of that fine building have been made available for bethel work instead of one third, as heretofore. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us. It needs the sympathy and prayers of all who care for the sailor's welfare and have any sense of the great debt we owe to him.

## FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of \$..... to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work.

## THE THEOLOGICAL SEMINARIES.

### ATLANTA THEOLOGICAL SEMINARY.

ATLANTA, GEORGIA.

Opened for instruction, 1901.

#### FACULTY.

E. LYMAN HOOD, M.A., PH.D., President, and Professor of Church History.  
 ALVAN F. SHERRILL, D.D., Dean, and Professor Homiletics and Pastoral Theology.  
 SAMUEL W. HOWLAND, M.A., D.D., Professor Hebrew and Greek.  
 LAWRENCE PHELPS, M.A., D.D., Professor Biblical and Christian Theology.  
 C. LISLE PERCY, B.A., Instructor in English.  
 FRANK E. JENKINS, D.D., Lecturer on Parish Problems.  
 HENRY A. ATKINSON, PH.M., Lecturer on Sociology.

---

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The classical theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under wise and experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our large library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for \$2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will help them to pay necessary expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his.

For further information address President HOOD.

COURSE OF STUDY. — The primary aim of the Seminary is to prepare men for the practical work of the ministry. The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. The Hyde and Southworth lectureships provide special instruction in Christian Missions and in Ecclesiastical Polity. The region around Boston offers rich opportunities for the study of churches and church methods, and of various other agencies for social betterment.

DEGREE. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study, provided they already hold a college degree.

GRADUATE STUDENTS. — Graduates in theology are encouraged to pursue advanced study and research under the personal direction of the professors, and are admitted to advanced courses in the Seminary and in the University.

 G. FREDERICK WRIGHT, D.D., LL.D., Professor Emeritus.

 JAMES RENDEL HARRIS, LITT.D., LL.D., Haskell Lecturer.  
 WILLIAM G. CASKEY, A.M., Professor of Elocution.  
 SIMON F. MACLENNAN, PH.D., Professor of Philosophy, Oberlin College.

THE SEMINARY is open to students of all denominations, and is not sectarian. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition, students are admitted to the college classes without charge.

Applicants for admission must present college diplomas. Upon graduation the academic degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. One half of this amount is required work, including the most essential courses in each department. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, covering a broad range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

The New Carnegie Library, adjoining Council Hall, contains 200,000 bound and unbound volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot-water heat and electric light for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of \$6. Aside from this fee, there is no charge made by the Seminary. The price of board in Oberlin is from \$2.40 to \$3.50 a week. Other expenses are correspondingly low.

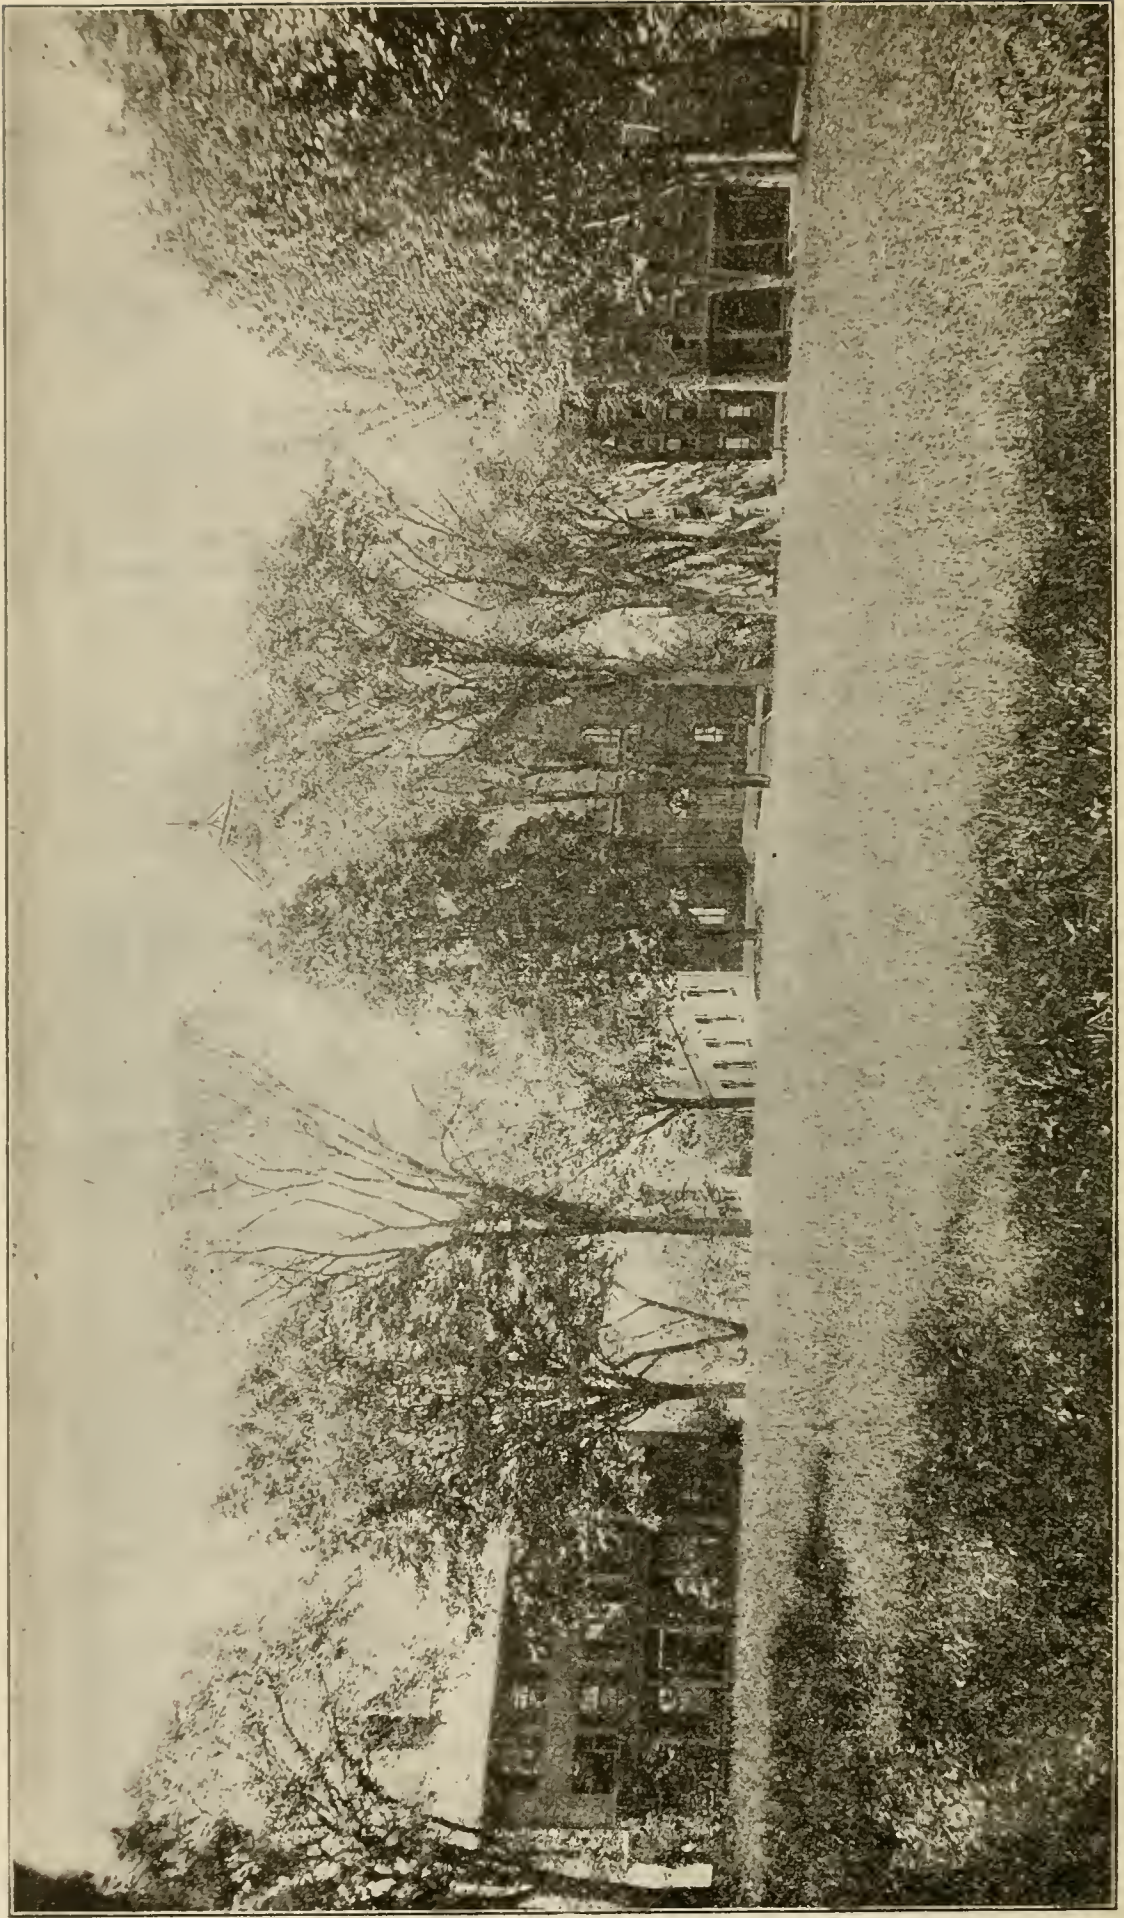

SELF-SUPPORT. — A large proportion of the students are self-supporting. Those who desire preaching or other religious work are assisted to obtain appointments.

The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from \$50 to \$100 each year, and in the form of remuneration for country and city mission work which is abundant in the vicinity. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 21, 1910. For further information address Professor G. WALTER FISKE.

 Prof. ROBERT JAMES SPRAGUE, PH.D., of the University of Maine, on Sociology.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its curriculum and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

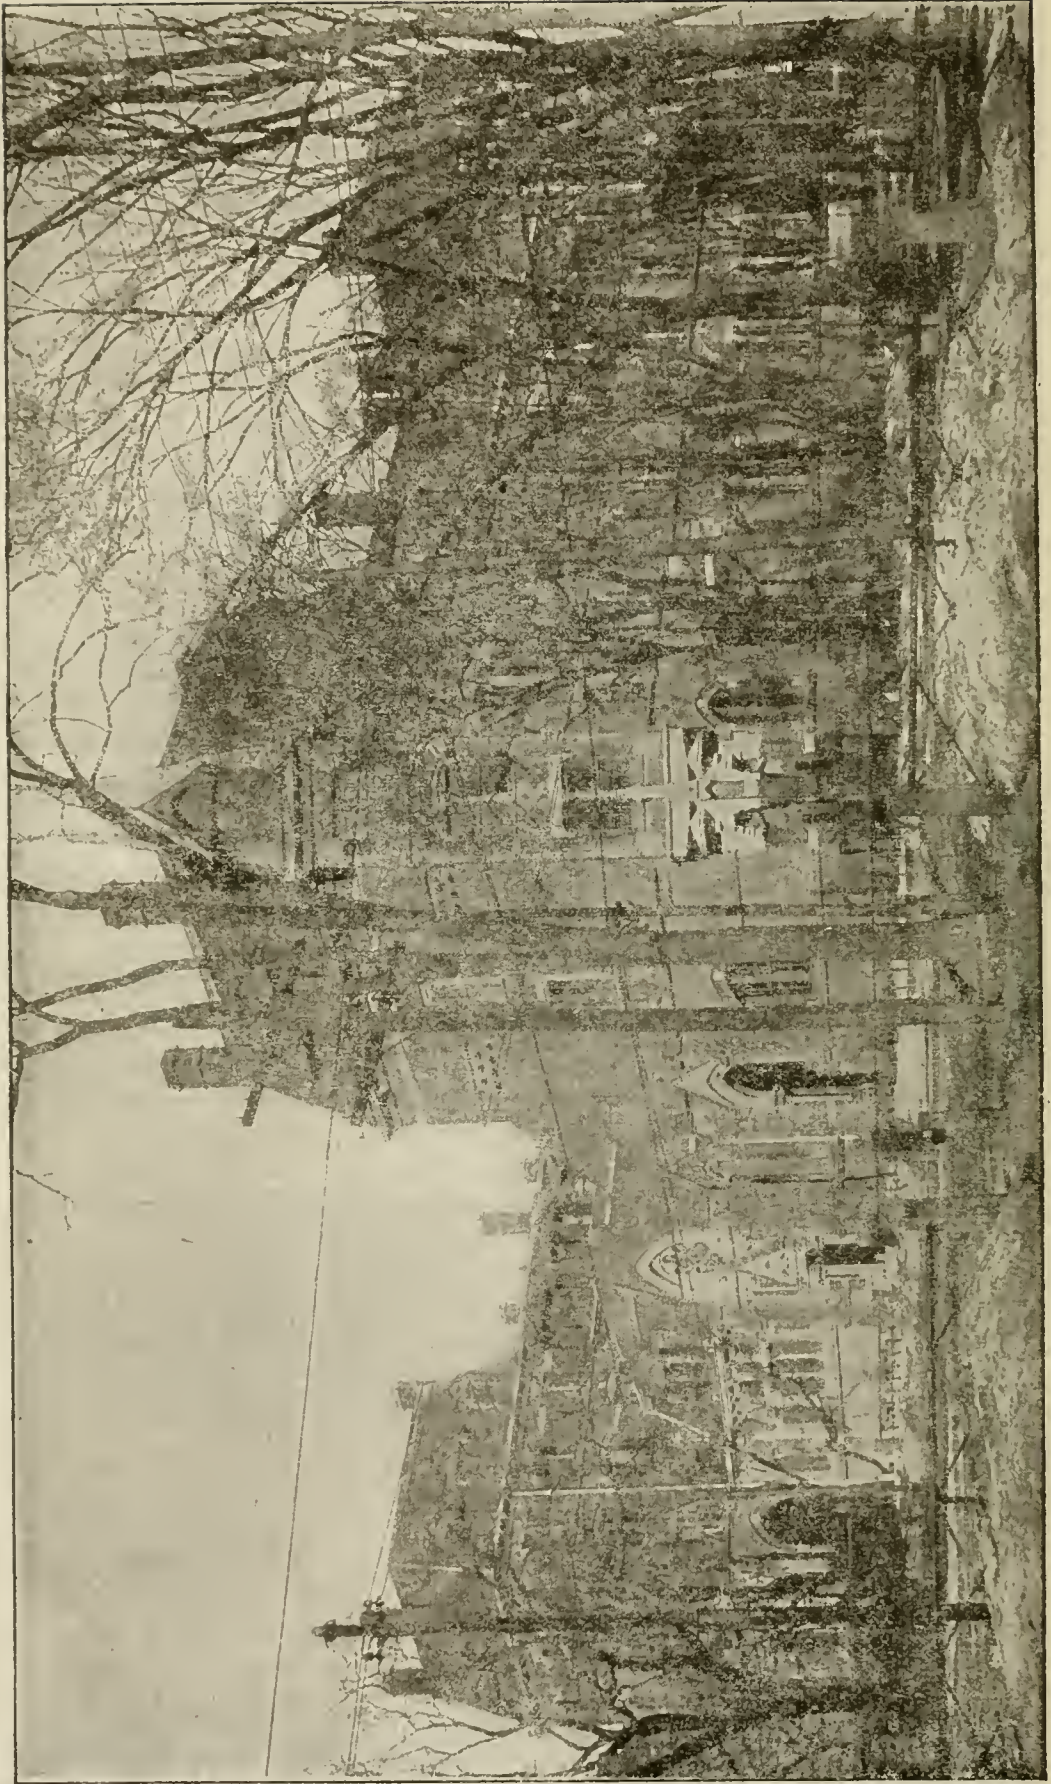

Attention is called to the Seminary's Library of above 27,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers; and to the Seminary's practice of holding each year Conferences on Christian Work, which bring to the front important aspects of practical religious effort.

By reason of the location of the Seminary in an inexpensive center, and because of the adoption of the coöperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. WARREN J. MOULTON.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the coördinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of B.D., and are enrolled among the alumni of the University.

COURSES OF STUDY. — The studies are grouped in four departments, each leading to the degree of B.D. These departments are those of (1) Pastoral Service, designed to train for the ministry of the churches; (2) Missionary Service; (3) Religious Education, for the preparation of teachers of the Bible in Colleges and other advanced posts of Christian teaching; (4) Social Service, for training in practical philanthropy based on sound economic and sociological principles.

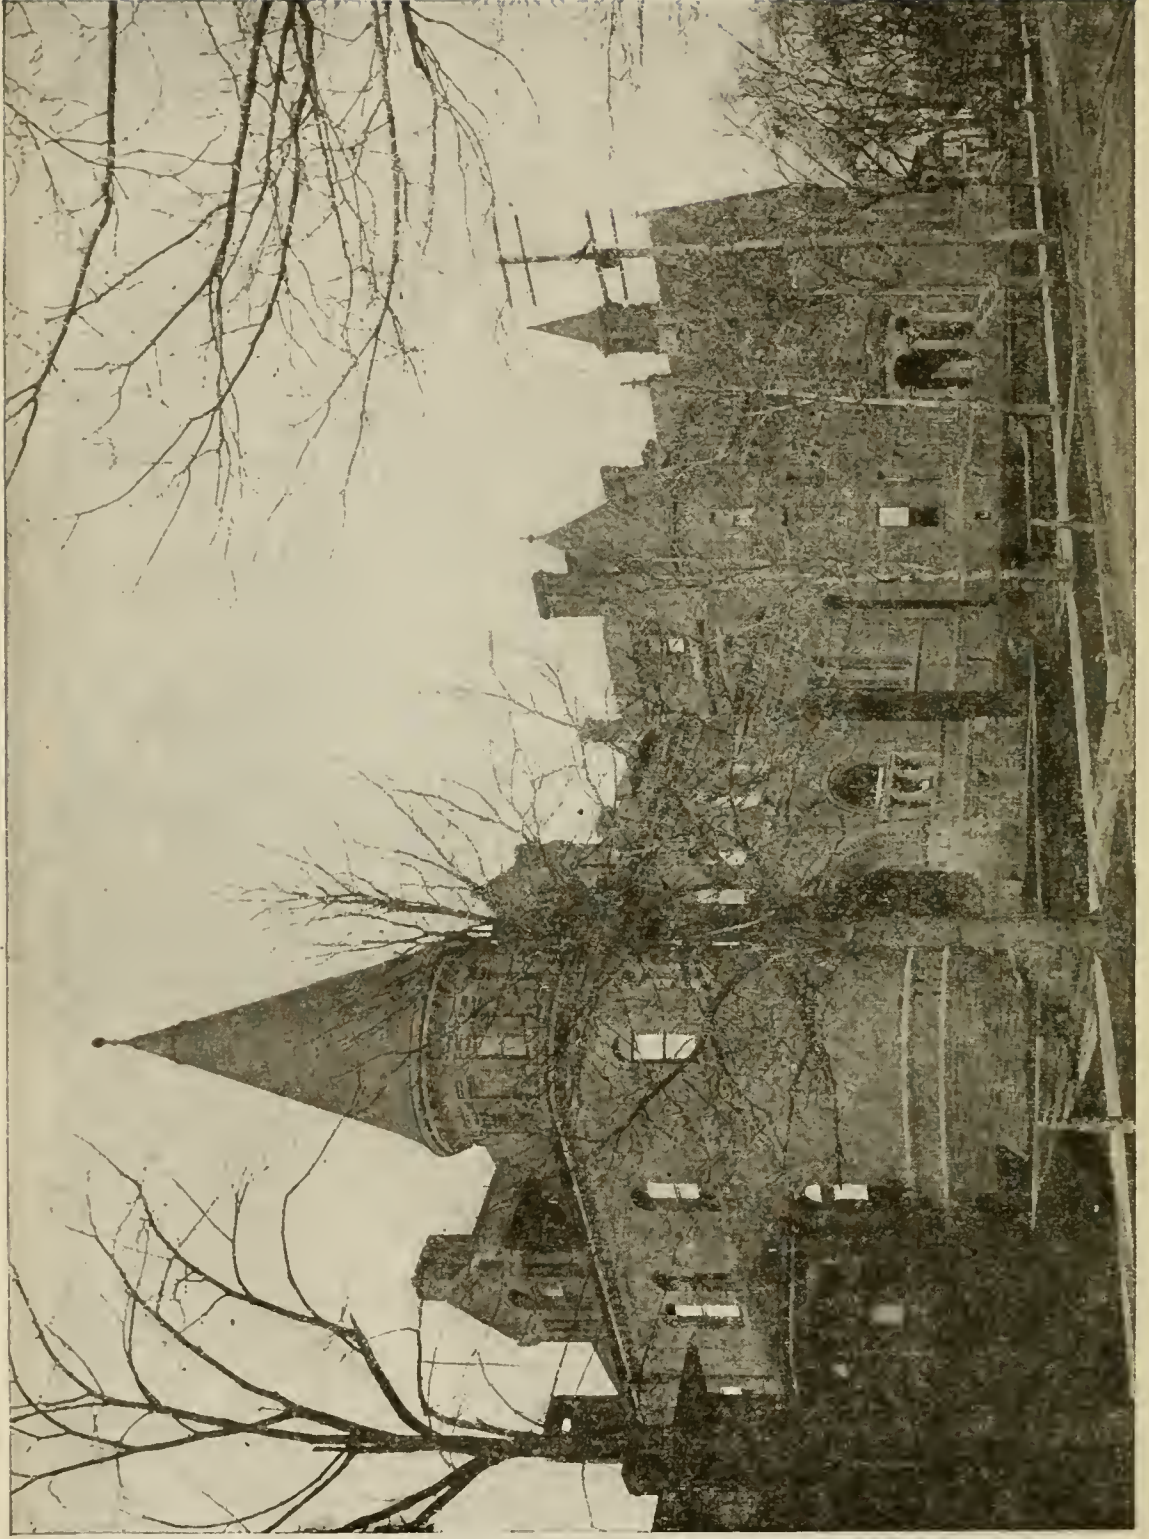

GRADUATE OR FOURTH-YEAR CLASS. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued under the direction of the professors. Members of this class may become candidates for the degree of M.A., or for that of PH.D., by enrollment also in the Graduate Department of the University.

OPPORTUNITIES FOR SELF-HELP. — Scholarship aid is now considered not as a gift, but as a means of livelihood obtained by religious work. The scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training for their future work. The average amount of time spent is six hours per week, for which the remuneration is \$125. Prize scholarships of \$100 and \$50 are also offered to students of high rank in scholarship.

TERM OF STUDY. — The next year will begin on Thursday, Sept. 29, 1910.

APPLICATION FOR ADMISSION. — The condition of admission is a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the DEAN, Yale Station, New Haven, Conn.

THE SEMINARY aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service; (2) to train in scientific methods of exegetical and historical research; (3) to discover and teach the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, and its application to the present needs of the world; and (4) to equip students practically for the Christian ministry in its various forms.

THE CURRICULUM is arranged in accordance with a system of Grouped Electives, thus offering either a balanced course or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing. The degree of Bachelor of Divinity is given for completion of the course with special credit and presentation of an approved thesis.

THE MISSIONS COURSE, on the Lamson Foundation, provides opportunity for thorough study of missionary theory and methods.

THE HARTFORD SCHOOL OF RELIGIOUS PEDAGOGY, affiliated with the Seminary, supplies an invaluable supplement to the instruction in this department.

GRADUATE STUDY is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study; and two of \$500 each for one year of post-graduate work in residence.

THE APPARATUS includes a library of 90,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term. All courses are open to women on the same terms as to men.

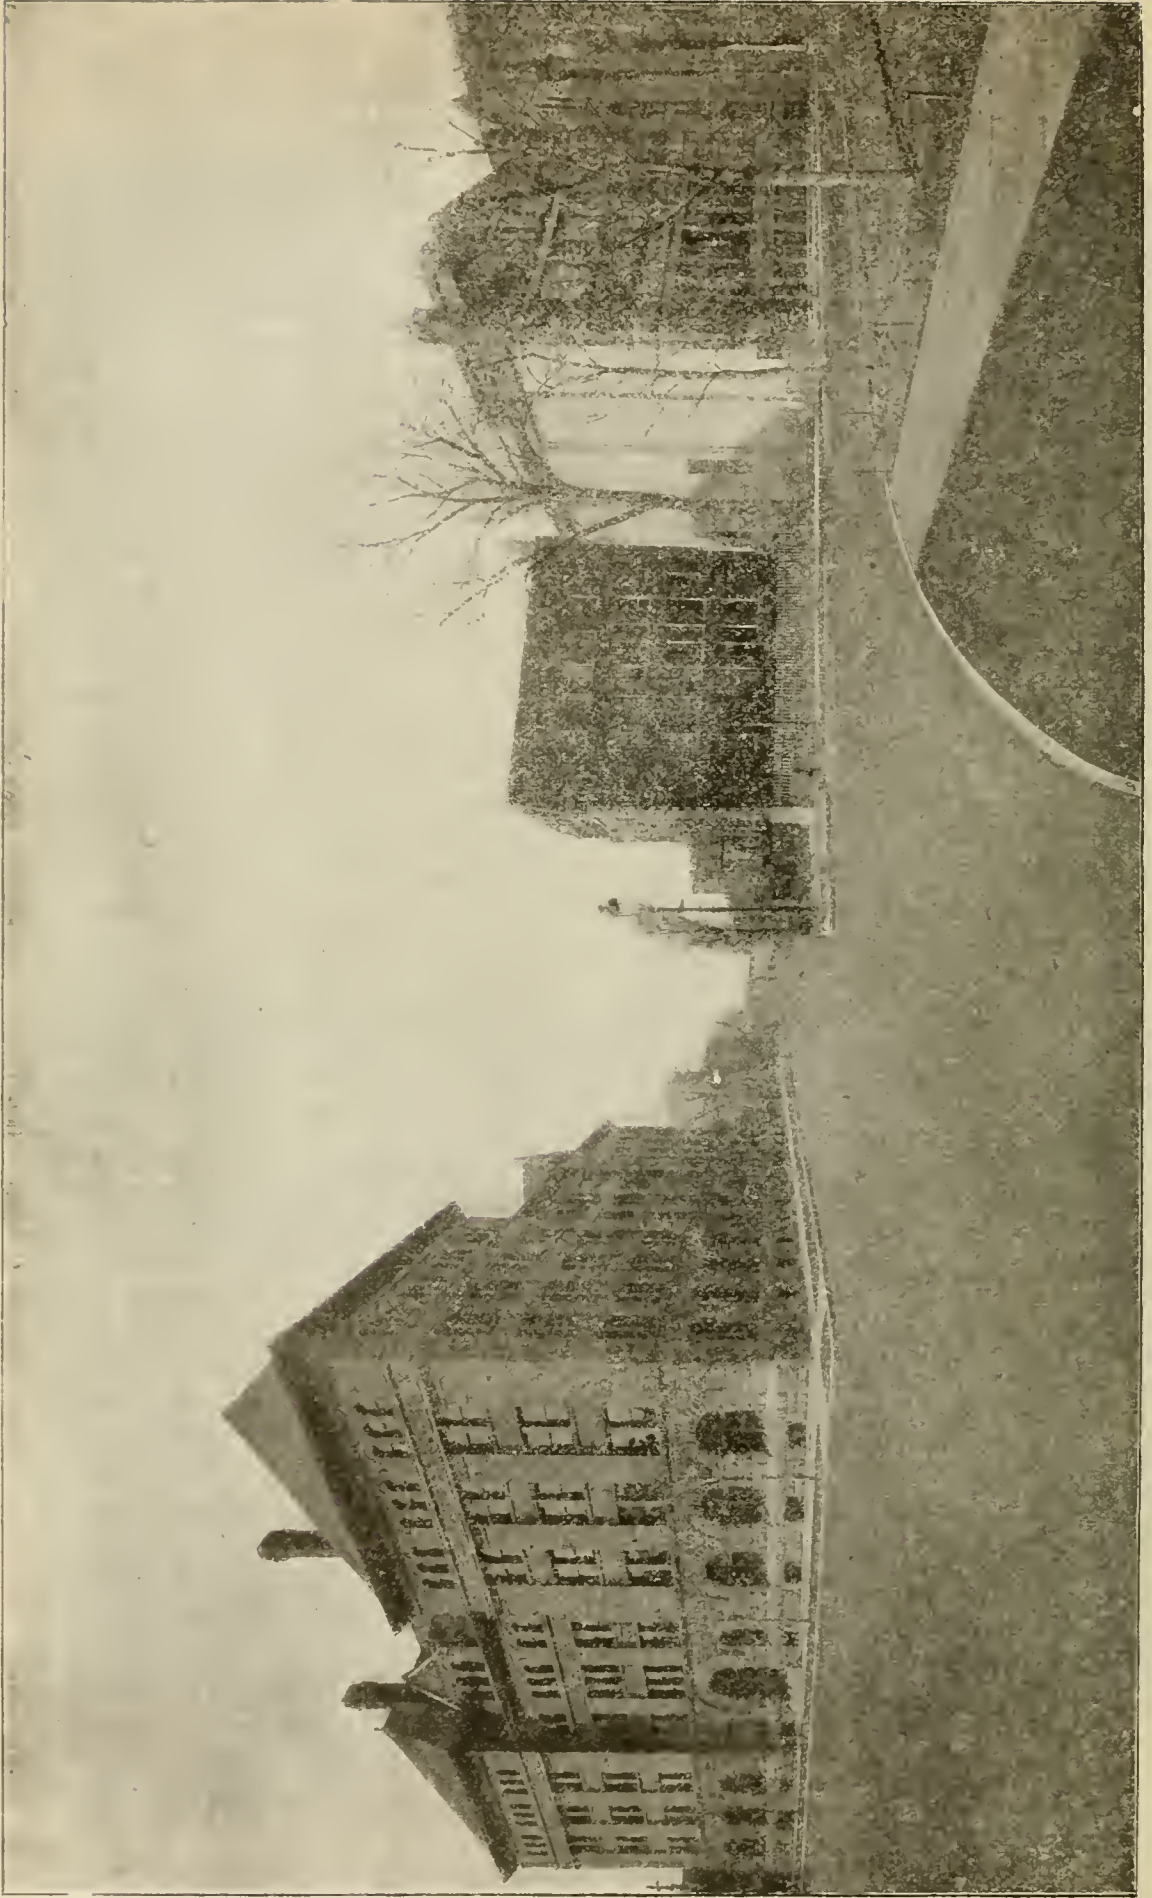

EXPENSES. — No charge is made for tuition, rooms, furniture, and bedding, except a nominal fee of \$25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about \$4.00 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society, varying in amount according to scholarly rank.

Each graduating class is offered also a fellowship, the income of \$10,000, for two years of foreign study.

CALENDAR. — The next seminary year begins Wednesday, Sept. 28, 1910, and ends Wednesday, May 10, 1911, with vacation of two weeks at Christmas.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the nine professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 200,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college diploma is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address DEAN NASH.

THE NEXT YEAR BEGINS Aug. 23, 1910.

\* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

† "Sen." means Senior. "Mid.," Middle. "Jun.," Junior. "Spec." means Special Course. "Grad." means Graduate Class. "D. N.," "Ger.," "Slav.," and "Sw." mean *Dano-Norwegian*, *German*, *Slavic* and *Swedish* Departments, in Chicago and Oberlin. C. I. means Christian Institute.

ANNUAL STATISTICS

OF THE

CHURCHES AND MINISTERS.

---

## ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

---

THE following pages contain the statistics as collected in 1909 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1910, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1910.
5. General summary tables for the year.
6. Tables of summaries, 1858-1909.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

### RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and **THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES.** If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton West"; if itself a name, it supersedes the other, as "Newton, **Auburndale.**" Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

#### MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (\*) denotes churches not associated.

2. Pastors installed by council are marked "i," and pastors recognized by council are marked "r.;" others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (\*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations. It should be borne in mind that in the tables, "R." includes Discipline and Roll revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

ALABAMA.

Students of this table should remember that 1887 was a transition year. The reports from different states covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

## LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible, but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (\*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a \* of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiatees are not included in this list, but a list of licentiatees follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1908, are retained, and are indexed to pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

## LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (\*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State although the person may reside elsewhere.
